

VILLAGE OF CORWIN

Inclement Weather

December 12, 2017

Village Residents:

At this time of year, inclement weather could occur at any time. Just as a reminder, all vehicles must be removed from the streets when snowfall reaches or exceeds two (2) inches. Vehicles left on the street are subject to towing at the owner's expense.

The Village of Corwin has contracted to keep the Village streets clear of snow and ice.

Wayne Township is responsible for maintaining Corwin Avenue from State Route 73 past Dollar General and down the hill.
